# REAL ALMOND OIL

Nearly half of a dried almond's weight is oil. Ripe almonds are pressed to extract the oil with minimal heat.

This unrefined almond oil protects the nutrients and the flavor of the oil. High heat and sometimes chemicals are used to create refined almond oil.

While refined almond oil is more heat-tolerant, it may lack the nutritional value of unrefined varieties. Almond oil, which is also called sweet almond oil, is not the same as bitter almond oil.

#### **BENEFITS OF ALMOND OIL -**

- \* To treat dandruff and hair damage.
- \* To check scalp infection and imflammation.
- \* To treat hair loss and split ends.
- \* For healthy and stronger hair.
- \* For softer and skiny hair.
- \* Add shines to your hair.

200 ML

# Charcoal FACE WASH

Reep your skin looking fresher and cleaner with the Real Activated Charcoal Facewash. The activated charcoal powder in the facewash extracts impurities - dirt, oil & pollution - from your skin and deep cleanses your pores.. Especially when combined with a pore-unclogging ingredient like salicylic acid, charcoal can work like a sponge on your face to remove toxins and leave you cleansed. This makes it ideal for shine-prone skin. It also helps deep clean your pores and free them from excess sebum, dead skin cells and oil.

## BENEFITS-

- \*Charcoal Face wash Fights against pigmentation be it dark circles or dark spots.
- \*It Deeply cleanses the skin.
- \*Makes your face look hydrated and clean.
- \*It reduces the oiliness of the skin but doesn't make your face look dry.
- \*Protects your skin from damage due to pollution, dust and grim.
- \*Maintains natural elasticity of the skin.
- \*Deeply cleansing the skin allows it to breath fresh air.
- \*Gives a much needed rejuvenated look.

DIAMOND FACIAL CLEANSER	<b>10</b> gm
DIAMOND FACIAL SCRUB	<b>10</b> gm
DIAMOND FACIAL CREAM	<b>10</b> gm
DIAMOND FACIAL GEL	<b>10</b> gm
DIAMOND FACIAL PACK	<b>10</b> gm

#### Step: 1 Diamond Facial Cleanser

Enriched with Diamond Oxide (Diamond Bhasma) and Grape seed extract, it is formulated to provide

maximum facial cleansing without leaving the face dry. It removes makeup, dirt grime and gives the skin radiance and porcelain like after feel.

usage: Take an appropriate amount of Balson Diamond Facial Cleanser and apply evenly on clean wet face. Massage in circular motion on the face and neck for 3-4 minutes. Then clean with wet cotton or water thoroughly.

#### Step: 2

#### Diamond Facial Scrub.

Enriched with the goodness of Diamond Bhasma, Apricot kemel oil and Jojoba seeds, it gives deep cleansing effect, while giving a gentle scrubbing also.

It's cleansing action balances the PH of the skin, while gentle grains helps in removing blackheads & dead cells.

usage: Apply a little quantity on the skin and gently massage in circular motion on a wet face & neck for 3-4 min. then clean with wet cotton/water thoroughly.

#### Step: 3

#### **Diamond Facial Cream**

This cream is specially developed to give a better and lasting polishing look on the skin with Diamond oxide & Wheatgerm oil. The added nourishing oil offer deep skin conditioning and softness to the skin. Gentle massage with this cream imparts a youthful effect, shiny texture and smooth tone to the skin.

#### Step: 5 Diamond Facial Pack

Enriched with the Diamond Bhasma and turmeric extract, this moisturizing face pack, improves the skin texture & boosts the skin renewal and hydration.

Added aroma oils soften the skin and add shine & luster to the skin. Also counteracts ageing signs due to dry skin.

usage: Gently massage the cream on the wet face & neck for 8-10 min. Then clean with moist cotton / water.

#### Step: 4

#### **Diamond Facial Gel**

This Message gel enriched with Diamond Bhasma & Aloe Vera helps the skin to fight against premature ageing. It restores skin elasticity & revitalizes

the complexion by providing intense moisturisation and nourishment.

usage: Gentle massage the gel on the face & neck for 8-10min. Clean with moist cotton wool.
